

Eileen Burbidge MBE

Eileen Burbidge (@eileentso) is a Partner at Passion Capital, the pre-eminent early-stage VC fund based in London. She brings extensive operational experience to her investment activities gleaned from business and product roles at Yahoo!, Skype, Apple and elsewhere.

In addition to Passion Capital, Eileen is also Chair of Tech Nation, the government-backed organisation supporting digital business across Britain. She also serves on the Prime Minister Theresa May's Business Advisory Group; as HM Treasury's Special Envoy for FinTech, appointed by the former Chancellor George Osborne.

She was made an MBE for services to Business in June 2015 and holds a BSc Engineering degree in Computer Science from the University of Illinois at Urbana-Champaign.
